AMENDMENT AND RESPONSE

Applicants submit this paper in response to the Office Action for the above-identified patent application, made final, mailed from the Office on January 29, 2004. Applicants believe that no extension of time is necessitated by this submission. Applicants enclose a Request for Continued Examination for the application together with the associated fee to remove the finality of the rejection.

Prior to further substantive examination, please amend the above-identified patent application as follows:

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims begin on page 3 of this paper.

Remarks begin on page 4 of this paper.
